ABOUT MYSELF

Dedicated ELT professional with a Bachelor's in English Literature and a Master's in ELT. Research focuses on higher education pedagogy, teacher beliefs, practices, curriculum, assessment, and technology-enhanced learning. Skilled in qualitative methods: interviews, observations, and thematic analysis. Seeking fully funded PhD in Applied Linguistics, Education, or ELT to contribute to evidence-based language education in developing contexts and build a strong research profile.

WORK EXPERIENCE

● Onneysa Bidyapith School and College **Brahmanbaria, Bangladesh** **English Lecturer**

RECOMMENDATIONS

● **• Professor Dr. Mijanur Rahman** Head, Department of English

"I am pleased to recommend Jewel Rana, who has successfully completed both undergraduate and postgraduate degrees in English under my supervision. He has consistently demonstrated strong academic ability, dedication, and excellent communication skills throughout his studies. I am confident that he will excel in any future academic or professional endeavor he chooses to pursue.

Email mijanur.rahman3@gmail.com | **Phone** +880 1627292388

● **Professor Dr Shah Alam** Professor of English & Dean, Faculty of Social Science

"I am delighted to recommend Jewel Rana, a dedicated BA and MA student at our Department of English. He has shown excellent analytical, leadership, and communication skills, consistently performing with professionalism and commitment. I am confident that he will be a valuable asset to any institution or organisation he chooses to join."

Email shahalam849@yahoo.com | **Phone** +880 1715403098

● **Associate Professor Dr. Priya Sukirthanandan** Dean, Faculty of Business and Technology

As his supervisor, I have observed that Mr. Rana is a **highly motivated, disciplined, and reflective learner**. He actively participates in academic discussions, demonstrates independent thinking, and approaches complex problems with clarity and persistence. His ability to synthesise ideas across disciplines—particularly education, communication, and management—indicates strong potential for advanced academic research.
